Decision on Attorneys' Fees and Costs

Leah VaSahnja Durant, Law Offices of Leah V. Durant, PLLC, Washington, DC, for petitioner.
Debra A. Filteau Begley, U.S. Department of Justice, Washington, DC, for respondent.

DECISION ON ATTORNEYS' FEES AND COSTS¹

Roth, Special Master:

On July 25, 2019, Lloyd Scott ["Mr. Scott" or "petitioner"] filed a petition for compensation under the National Vaccine Injury Compensation Program.² Petitioner alleged that he developed a shoulder injury related to vaccine administration ("SIRVA") after receiving an influenza ("flu") vaccine on November 17, 2017. Petition, ECF No. 1. On March 7, 2023, the parties filed a stipulation, which the undersigned adopted as her decision awarding compensation on the same day. (ECF No. 57).

On October 4, 2023, petitioner filed an application for final attorneys' fees and costs. ("Fees App.") (ECF No. 61). Petitioner requests total attorneys' fees and costs in the amount of \$56,763.33, representing \$43,156.00 in attorneys' fees and \$13,607.33 in costs. Fees App. at 1. Pursuant to General Order No. 9, petitioner indicated he expended \$400.00 in pursuit of his

¹ Because this decision contains a reasoned explanation for the action taken in this case, it must be made publicly accessible and will be posted on the United States Court of Federal Claims' website, and/or at <https://www.govinfo.gov/app/collection/uscourts/national/cofc>, in accordance with the E-Government Act of 2002. 44 U.S.C. § 3501 note (2018) (Federal Management and Promotion of Electronic Government Services). This means the decision will be available to anyone with access to the internet. In accordance with Vaccine Rule 18(b), petitioner has 14 days to identify and move to redact medical or other information, the disclosure of which would constitute an unwarranted invasion of privacy. If, upon review, the undersigned finds that the identified material fits within this definition, such material will be redacted from public access.

² National Childhood Vaccine Injury Act of 1986, Pub. L. No. 99-660, 100 Stat. 3755. Hereinafter, for ease of citation, all "§" references to the Vaccine Act will be to the pertinent subparagraph of 42 U.S.C. § 300aa (2018).

claim for compensation. *Id.* at 2. Respondent responded to the motion on November 15, 2023, stating “Respondent is satisfied the statutory requirements for an award of attorneys’ fees and costs are met in this case” and requesting that the undersigned “exercise [her] discretion and determine a reasonable award for attorneys’ fees and costs.” Response at 2-3 (ECF No. 64). Petitioner replied on November 22, 2022, reiterating his belief that the requested amounts were reasonable. Reply (ECF No. 65).

This matter is now ripe for consideration.

I. Legal Framework

The Vaccine Act permits an award of “reasonable attorneys’ fees” and “other costs.” § 15(e)(1). If a petitioner succeeds on the merits of his or her claim, the award of attorneys’ fees is automatic. *Id.*; see *Sebelius v. Cloer*, 133 S. Ct. 1886, 1891 (2013). However, a petitioner need not prevail on entitlement to receive a fee award as long as the petition was brought in “good faith” and there was a “reasonable basis” for the claim to proceed. § 15(e)(1). Here, because petitioner was awarded compensation pursuant to a stipulation, he is entitled to a final award of reasonable attorneys’ fees and costs.

The Federal Circuit has endorsed the use of the lodestar approach to determine what constitutes “reasonable attorneys’ fees” and “other costs” under the Vaccine Act. *Avera v. Sec’y of Health & Human Servs.*, 515 F.3d 1343, 1349 (Fed. Cir. 2008). Under this approach, “an initial estimate of a reasonable attorneys’ fees” is calculated by “multiplying the number of hours reasonably expended on the litigation times a reasonable hourly rate.” *Id.* at 1347–48 (quoting *Blum v. Stenson*, 465 U.S. 886, 888 (1984)). That product is then adjusted upward or downward based on other specific findings. *Id.*

Special masters have substantial discretion in awarding fees and may adjust a fee request *sua sponte*, apart from objections raised by respondent and without providing petitioners with notice and opportunity to respond. See *Sabella v. Sec’y of Health & Human Servs.*, 86 Fed. Cl. 201, 209 (2009). Special masters need not engage in a line-by-line analysis of petitioner’s fee application when reducing fees. See *Broekelschen v. Sec’y of Health & Human Servs.*, 102 Fed. Cl. 719, 729 (2011).

II. Discussion

A. Reasonable Hourly Rate

A “reasonable hourly rate” is defined as the rate “prevailing in the community for similar services by lawyers of reasonably comparable skill, experience and reputation.” *Avera*, 515 F.3d at 1348 (quoting *Blum*, 465 U.S. at 896 n.11). In general, this rate is based on “the forum rate for the District of Columbia” rather than “the rate in the geographic area of the practice of petitioner’s attorney.” *Rodriguez v. Sec’y of Health & Human Servs.*, 632 F.3d 1381, 1384 (Fed. Cir. 2011) (citing *Avera*, 515 F. 3d at 1349). There is a “limited exception” that provides for attorney’s fees to be awarded at local hourly rates when “the bulk of the attorney’s work is done outside the forum jurisdiction” and “there is a very significant difference” between the local hourly rate and forum hourly rate. *Id.* This is known as the *Davis County* exception. See *Hall v. Sec’y of Health & Human*

Servs., 640 F.3d 1351, 1353 (2011) (citing *Davis Cty. Solid Waste Mgmt. & Energy Recovery Special Serv. Dist. v. U.S. EPA*, 169 F.3d 755, 758 (D.C. Cir. 1999)).

For cases in which forum rates apply, *McCulloch* provides the framework for determining the appropriate hourly rate range for attorneys' fees based upon the attorneys' experience. See *McCulloch v. Sec'y of Health & Human Servs.*, No. 09–293V, 2015 WL 5634323 (Fed. Cl. Spec. Mstr. Sept. 1, 2015). The Office of Special Masters has accepted the decision in *McCulloch* and has issued a Fee Schedule for subsequent years.³

Petitioner requests the following hourly rates for the work of his counsel: for Ms. Leah Durant (“LVD”), \$377.00 per hour for work performed in 2018, \$380.00 per hour for work performed in 2019, \$395.00 per hour for work performed in 2020, \$420.00 per hour for work performed in 2021, \$441.00 per hour for work performed in 2022, and \$463.00 per hour for work performed in 2023; for Mr. Glenn MacLeod (“GM”), \$525.00 per hour for work performed in 2022, and \$553.00 per hour for work performed in 2023; for Mr. Richard Armada (“RA”), \$400.00 per hour for work performed in 2021; and for Mr. Mike Milmo (“MM”), \$509.00 per hour for work performed in 2021, and \$525.00 per hour for work performed in 2022. These rates are consistent with what counsel have previously been awarded for her Vaccine Program work, and the undersigned finds them to be reasonable herein.

B. Hours Reasonably Expended

Attorneys' fees are awarded for the “number of hours reasonably expended on the litigation.” *Avera*, 515 F.3d at 1348. Counsel should not include in their fee requests hours that are “excessive, redundant, or otherwise unnecessary.” *Saxton ex rel. Saxton v. Sec'y of Health & Human Servs.*, 3 F.3d 1517, 1521 (Fed. Cir. 1993) (quoting *Hensley v. Eckerhart*, 461 U.S. 424, 434 (1983)). “Unreasonably duplicative or excessive billing” includes “an attorney billing for a single task on multiple occasions, multiple attorneys billing for a single task, attorneys billing excessively for intra office communications, attorneys billing excessive hours, [and] attorneys entering erroneous billing entries.” *Raymo v. Sec'y of Health & Human Servs.*, 129 Fed. Cl. 691, 703 (2016). While attorneys may be compensated for non-attorney-level work, the rate must be comparable to what would be paid for a paralegal or secretary. See *O'Neill v. Sec'y of Health & Human Servs.*, No. 08–243V, 2015 WL 2399211, at *9 (Fed. Cl. Spec. Mstr. Apr. 28, 2015). Clerical and secretarial tasks should not be billed at all, regardless of who performs them. See, e.g., *McCulloch*, 2015 WL 5634323, at *26. Hours spent traveling are ordinarily compensated at one-half of the normal hourly attorney rate. See *Scott v. Sec'y of Health & Human Servs.*, No. 08–756V, 2014 WL 2885684, at *3 (Fed. Cl. Spec. Mstr. June 5, 2014) (collecting cases). And “it is inappropriate for counsel to bill time for educating themselves about basic aspects of the Vaccine Program.” *Matthews v. Sec'y of Health & Human Servs.*, No. 14–1111V, 2016 WL 2853910, at *2 (Fed. Cl. Spec. Mstr. Apr. 18, 2016). Ultimately, it is “well within the Special Master's discretion to reduce the hours to a number that, in [her] experience and judgment, [is] reasonable for the work done.” *Saxton*, 3 F.3d at 1522. In exercising that discretion, special masters may reduce the number

³ The OSM Attorneys' Forum Hourly Rate Fee Schedules are available on the U.S. Court of Federal Claims website at <http://www.cofc.uscourts.gov/node/2914>. The hourly rates contained within the schedules are updated from the decision in *McCulloch v. Sec'y of Health & Human Servs.*, No. 09–293V, 2015 WL 5634323 (Fed. Cl. Spec. Mstr. Sept. 1, 2015).

of hours submitted by a percentage of the amount charged. *See Broekelschen*, 102 Fed. Cl. at 728–29 (affirming the Special Master’s reduction of attorney and paralegal hours); *Guy v. Sec’y of Health & Human Servs.*, 38 Fed. Cl. 403, 406 (1997) (same).

The overall hours spent on this matter appear are reasonable. Therefore, petitioner is entitled to a final award of attorneys’ fees in the amount of \$43,156.00.

C. Reasonable Costs

Like attorneys’ fees, a request for reimbursement of attorneys’ costs must be reasonable. *Perreira v. Sec’y of Health & Human Servs.*, 27 Fed. Cl. 29, 34 (Fed. Cl. 1992). Petitioner requests a total of \$13,607.33 in costs for acquiring medical records, review of those records by Mr. Timothy Hancock, the Court’s filing fee, and postage. Fees App. Ex. 2 at 2. This amount also includes expert services performed by Dr. Uma Srikumaran at \$1,000.00 per hour for 11.25 hours totaling \$11,250.00. *Id.* at 18. Petitioner has provided adequate documentation supporting the requested costs and all appear reasonable in the undersigned’s experience. Accordingly, petitioner is entitled to final attorneys’ costs of \$13,607.33.

Pursuant to General Order No. 9, petitioner states that personal costs were incurred in the amount of \$400.00. Fees App. at 2. Petitioner has provided adequate documentation supporting the requested cost and he is awarded the full amount requested.

III. Conclusion

In accordance with the foregoing, petitioner’s motion for attorneys’ fees and costs is **GRANTED**. The undersigned hereby awards the following:

- 1) **a lump sum of \$56,763.33, representing reimbursement for petitioner’s attorneys’ fees and costs, in the form of a check payable jointly to petitioner and Ms. Leah Durant; and**
- 2) **a lump sum of \$400.00, representing reimbursement for petitioner’s costs, in the form of a check payable to petitioner.**

In the absence of a motion for review filed pursuant to RCFC Appendix B, the clerk of the court shall enter judgment in accordance herewith.⁴

IT IS SO ORDERED.
